

Speech by the President of the Chamber of Commerce and Industry of Saint-Laurent – Mount Royal at the Annual General Meeting

It is a great honor to be reelected again as president of the Chamber of Commerce and Industry of Saint Laurent and Mont Royal. Here, I sincerely thank the board members for their trust. Considering that the current environment is affected by the huge economic losses and health crisis caused by the new coronavirus pandemic, this task will be a huge challenge for me. In order to fulfill our mission of promoting corporate prosperity, during this period, the Chamber of Commerce will continue to uphold its service commitments and provide assistance and consultation on the core issues of our corporate concern. It will also continue to provide meetings, virtual training and personalized meetings related to business executives to identify needs and help them better respond to crises.

Since its establishment in 1981, the Chamber of Commerce has been committed to helping enterprises develop and express their voices by taking relevant positions that represent the interests of their business groups. Without the support and trust of our members, our business partners, and especially our important partners, all this is impossible. I want to thank them from the bottom of my heart. Thanks to their participation and support, the Chamber of Commerce can be influential in Quebec and contribute to the prosperity of St. Laurent and Mount Royal. We will continue to work together to defend the interests of our members. I would also like to sincerely thank the Ex board members for their contributions to the Chamber of Commerce: Benoit Bélanger, Luana Borelli, Lydia Cappelli, Norman Chenail, Paul André Dumont, Marc Grignon, William Habib, Jérôme Lankoandé, Laila Sahyoun and Bachir Saouaf.

I also want to warmly welcome the new members: Marc-André Deschênes, TESLA RP, Leesa Hodgson, DESTL, Emmanuel Homet, L'Oréal Canada, Marc Lefort, McGill Immobilier and Sébastien Paquet, McKesson Canada. Especially in this difficult time, we look forward to benefiting from the experience and expertise of each of them, making the Chamber of Commerce a solid organization. Finally, I would like to thank the entire Chamber of Commerce team, members of the Executive Committee and Board of Directors, and all members for their trust and continuous commitment.

Thank you

Kelvin K. Mo
